Hello!

I'm a 20-year old, Hyderabad-based designer who creates clean and modern content for world-wide-web. I design great User Experiences. I deliver attractive and elegant websites to you and/or your company. My creativity makes me design simple, fresh and coloured websites using web standards.

I love everything that has to do with Web and Graphic Designing. I love to work with people who have the same zeal as I have. Why don't we work together? Take a look below to find out why you should hire me.

#### Objectives

I want to succeed in a stimulating and challenging environment, building the success of the company while I experience advancement opportunities. I am seeking a competitive and challenging environment where I can serve your organization and establish an enjoyable career for myself.

#### Education

Graphics, Web Design & Development - **2016 to Present**  
**Arena Animation, Ameerpet**

Bachelors in Computer Science - **2013 to 2016**  
**Bhavans Vivekananda College, Sainikpuri**

#### Professional Experience

Web and Graphic Designer - **Nov '16 to Feb '17**  
**www.webinks.in**

My job duties cover all aspects of creating a website. Upon meeting with clients and assessing their needs, I help create and maintain the product. My duties include, but aren't limited to, the following:

- Writing and editing content
- Designing webpage layout
- Determining technical requirements
- Updating websites
- Creating back up files
- Solving code problems
